Use and Care Manual

Household Use

This warranty applies only when you have purchased the products for your own normal indoor household use (including use as a gift to another for household purposes) and not for resale or commercial use, which includes rental, business, institutional or other non-residential use.

Improper Care and Use

Your products require some routine maintenance to maintain their beauty and structural integrity. Please take care to treat your products like the fine pieces they are. Proper care and use are essential to preserving your rights under this warranty. Furnishings will not repair or replace your furniture if improper maintenance or improper use causes damage. This warranty does not apply if your product is damaged by the use of detergents, abrasives, or other improper cleaning agents.
